

§ 175.6

25 CFR Ch. I (4–1–02 Edition)

and the period of time in which comments will be received. Notices shall be published and posted at least 30 days before the scheduled effective date of the operations manual, or amendments thereto.

(c) After giving consideration to all comments received, the Area Director shall establish or amend the operations manual, as appropriate. A notice of the Area Director's decision and the basis for the decision shall be published and posted in the same manner as the previous notices.

§ 175.6 Information collection.

The information collection requirements contained in §175.22 have been approved by the Office of Management and Budget under 44 U.S.C. 3501 *et seq.* and assigned clearance number 1076-0021. This information is being collected to provide electric power service to customers. Response to this request is "required to obtain a benefit." Public reporting for this information collection is estimated to average .5 hours per response, including the time for reviewing instructions, gathering and maintaining data, and completing and reviewing the information collection. Direct comments regarding the burden estimate or any other aspect of this information collection to the Bureau of Indian Affairs, Information Collection Clearance Officer, room 337-SIB, 1849 C Street, NW., Washington, DC 20240; and the Office of Information and Regulatory Affairs, Project 1076-0021, Office of Management and Budget, Washington, DC 20502.

Subpart B—Service Fees, Electric Power Rates and Revenues

§ 175.10 Revenues collected from power operations.

The Area Director shall set service fees and electric power rates in accordance with the procedures in §§175.11 and 175.12 to generate power revenue.

(a) *Revenues.* Revenues collected from power operations shall be administered for the following purposes, as provided in the Act of August 7, 1946 (60 Stat. 895), as amended by the Act of August 31, 1951 (65 Stat. 254):

(1) Payment of the expenses of operating and maintaining the utility;

(2) Creation and maintenance of reserve Funds to be available for making repairs and replacements to, defraying emergency expenses for, and insuring continuous operation of the utility;

(3) Amortization, in accordance with repayment provisions of the applicable statutes or contracts, of construction costs allocated to be returned from power revenues; and

(4) Payment of other expenses and obligations chargeable to power revenues to the extent required or permitted by law.

(b) *Rate and fee reviews.* Rates and fees shall be reviewed at least annually to determine if project revenues are sufficient to meet the requirements set forth in paragraph (a) of this section. The review process shall be as prescribed by the Area Director.

§ 175.11 Procedures for setting service fees.

The Area Director shall establish, and amend as needed, service fees to cover the expense of customer service. Service fees shall be set by unilateral action of the Area Director and remain in effect until amended by the Area Director pursuant to this section. At least 30 days prior to the effective date, a schedule of the service fees, together with the effective date, shall be published in local newspaper(s) of general circulation and posted in the utility office(s). The Area Director's decision shall be final for the Department of the Interior.

§ 175.12 Procedures for adjusting electric power rates except for adjustments due to changes in the cost of purchased power or energy.

Except for adjustments to rates due to changes in the cost of purchased power or energy, the Area Director shall adjust electric power rates according to the following procedures:

(a) Whenever the review described in §175.10(b) of this part indicates that an adjustment in rates may be necessary for reasons other than a change in cost of purchased power or energy, the Area Director shall direct further studies to determine whether a rate adjustment is necessary and, if indicated, prepare rate schedules.

Bureau of Indian Affairs, Interior

§ 175.23

(b) Upon completion of the rate studies, and where a rate adjustment has been determined necessary, the Area Director shall conduct public information meetings as follows:

(1) Notices of public meetings shall be published in local newspapers of general circulation, posted at the utility office(s), and provided by such other means, if any, as determined by the Area Director. The notice shall provide: The date, time, and place of the scheduled meeting; a brief description of the action; the name, the address, and the telephone number for addressing comments and inquiries; and the period of time in which comments will be received. Notices shall be published and posted at least 15 days before the scheduled date of the meeting.

(2) Written and oral statements shall be received at the public meetings. The record of the public meeting shall remain open for the filing of written statements for five days following the meeting.

(c) After giving consideration to all written and oral statements, the Area Director shall make a decision about a rate adjustment. A notice of the Area Director's decision, the basis for the decision, and the adjusted rate schedule(s), if any, shall be published and posted in the same manner as the previous notices of public meetings.

(d) Rates shall remain in effect until further adjustments are approved by the Area Director pursuant to this part.

§ 175.13 Procedures for adjusting electric power rates to reflect changes in the cost of purchased power or energy.

Whenever the cost of purchased power or energy changes, the effect of the change on the cost of service shall be determined and the Area Director shall adjust the power rates accordingly. Rate adjustments due to the change in cost of purchased power or energy shall become effective upon the unilateral action of the Area Director and shall remain in effect until amended by the Area Director pursuant to this section. A notice of the rate adjustment, the basis for the adjustment, the rate schedule(s) shall be published and posted in the same manner as de-

scribed in § 175.12(c) of this part. The Area Director's decision shall be final for the Department of the Interior.

Subpart C—Utility Service Administration

§ 175.20 Gratuities.

All employees of the utility are forbidden to accept from a customer any personal compensation or gratuity rendered related to employment by the utility.

§ 175.21 Discontinuance of service.

Failure of customer(s) to comply with utility requirements as set forth in this part and the operations manual may result in discontinuance of service. The procedure(s) for discontinuance of service shall be set forth in the operations manual.

§ 175.22 Requirements for receiving electrical service.

In addition to the other requirements of this part, the customer, in order to receive electrical service, shall enter into a written service agreement or special contract for electrical power services.

§ 175.23 Customer responsibilities.

The customer(s) of a utility subject to this part shall:

(a) Comply with the National Electrical Manufacturers Association Standards and/or the National Electrical Code of the National Board of Fire Underwriters for Electric Wiring and Apparatus as they apply to the installation and operation of customer-owned equipment;

(b) Be responsible for payment of all financial obligations resulting from receiving utility service;

(c) Comply with additional requirements as further defined in the operations manual;

(d) Not operate or handle the utility's facilities without the express permission of the utility;

(e) Not allow the unauthorized-use of electricity; and

(f) Not install or utilize equipment which will adversely affect the utility system or other customers of the utility.
